# national bike week

Following the success of 2010 Bike Week in Kerry in which over 358 people participated in a variety of cycling events; and continuing to get our county's wheels in motion numerous events are planned across our county for 2011 Bike Week, which is taking place 18th - 26th June.

SAVE THE DATE!! This year will see the inaugural **Ring of Kerry Family Pedal in the Park 10k Cycle**, which takes place Friday 1st July. Why not bring along family members to Killarney National Park and join in the fun on the eve of the Ring of Kerry Cycle! All cyclists must wear a helmet and children U-10 accompanied by an adult.

### Ever wondered how to fix a puncture?!!

A number of bike maintenance educational workshops, organised by local cycling clubs, will be delivered countywide both for the cyclist and non-cyclist. Topics to be discussed include:

- Choosing the right bike for your intended use
- Basic bike maintenance especially puncture repair, tube replacement or minor gear/brake adjustments as well as tips on general bike cleaning
